

Lantern Festival

Gorgeous Gorse Hill and Gorse Hill Studios, with the help of local artist Vanessa Scott, are organising a Lantern Festival on Saturday 21st November.

All the residents of Gorse Hill are invited to get involved. Ask your neighbours, to sign up their streets and on Saturday 21 November from 4.30pm to fill our streets with lanterns. The flyer attached and the blog link contain instructions for two simple designs of lanterns that can be made at home. As well as the leaflets Venessa has also made two great how-to videos.

As well as residents filling the streets, Gorse Hill Studios are working on something a bit special too. Caroline, Venessa and the talented staff at Gorse Hill Studios are making some large willow lanterns that will be paraded through the streets of Gorse Hill on the 21st November at 5pm. Now there are a lot of streets in Gorse Hill and it is not possible to do all of them, so streets that sign up to the festival will be prioritised.

Just drop us a message on Facebook or an email to: gorgeousgorsehill@gmail.com to let them know if your street is signing up and you'll get added to the parade route.

Thank you so much for helping to spread the word. If you have any queries please do not hesitate to give us a shout.
